July 27, 2011

A&W Paving contractor will be working on the City's Residential Pavement Improvement project during the week of August 8 through August 12 on Summit Street (from Evans St to Birch St) and on Ash Street (from Central Ave to Price St). **BOTH SUMMIT STREET AND ASH STREET IN THE AREA DESCRIBED ABOVE WILL BE COMPLETELY CLOSED FOR THE FULL TERM OF THIS WEEK STARTING AT 6 AM ON MONDAY AUGUST 8 UNTIL FRIDAY AUGUST 12 AT 5 PM.** The pavement improvement project will consist of pre-leveling and then two applications of oil and rock.

Vehicle traffic will not be allowed onto these streets during this time to allow the paving work to be done properly. Residents will need to access their homes on these streets from the alleys behind their property. Parking in these alleys is space limited and parking in the alley right-of-way is not allowed. Parking for residents is available on adjacent streets and overnight parking is allowed at Osborne Elementary School parking lot located on Central Avenue during this time.

**Please note that all vehicles will need to be cleared off of Ash Street and Summit Street rights-of-way prior to Monday August 8, 2011 by 5 am or their vehicle(s) will be towed.**
