To the Leavenworth Community:

The City is interested in hearing from you on where a new skate park should be located. Keep in mind a minimum foot print of 5,000 S.F., visibility, access, and other facilities. Suggestions for locations can be posted on the following link:

[Leave a Comment for the Mayor and City Administrator](#)

Please provide your suggestions of possible skate park sites by July 7, 2016. Once we have a list of sites, we will provide you the opportunity to rate and compare the suggested sites.

Thank you,
