## **CITY OF LEAVENWORTH FALL CLEAN-UP**

The City of Leavenworth's Annual Fall Clean Up for single family residential households will take place this year from October 23rd through November 8th, 2018. The city crew will pick up yard debris the same day household garbage is collected, at no extra charge. Please limit the bags to 4 per week; additional bags will be charged at \$3.50 per bag.

Leaves, pine needles, and other yard debris must be in the required recyclable paper bags, not to exceed 35 pounds. Plastic bags will not be picked up. The required recyclable paper bags are currently available at Marson and Marson Lumber, Dan's Food Market, and Cascade Auto Parts. They are also available at larger home stores in Wenatchee. We have moved to using the recyclable paper bags in an effort to keep the plastic bags out of the landfill; the recyclable paper bags are compostable along with its contents.

Limbs must be cut into 4 foot or shorter lengths and tied with biodegradable twine into bundles. If there are large limbs, you are encouraged to cut them up and give them to someone for firewood.

No furniture, appliances, dirt, rocks, sod, or building debris will be picked up.

Residents can also drop yard debris at the Leavenworth Recycling Center which is located at 216 14<sup>th</sup> Street. The hours of operation are Wednesday's from 4:30 – 6:30 p.m. and Saturday's from 11:00 a.m. – 3:00 p.m. This service is only available for residents within city limits.
