Subject: Evans and Benton st intersection

Hello,

I am a long time Leavenworth resident, owner of 323 Benton st, and I am writing to formally request that the city consider a stop sign at the intersection of Evans, benton And orchard.

I sit on my front porch daily and am alarmed by the high speed traffic as people head west-bound on Evans st and bare left onto Benton without slowing down. If anything people seem to accelerate through this corner.

As many pedestrians park in the neighborhood to access downtown it seems to be only a matter of time before there is an accident or worse at this intersection.

Thank you for your consideration.

Best,

Lauren Lieblich PA-C
