NOTICE – EXISTING BUILDING CONSTRUCTION

On April 24, 2020, Governor Inslee announced a phase 1 restart for existing building construction. The City of Leavenworth supports this order and will be permitting inspections for those building activities that comply with the order. Specifically, the restart applies to construction activities that were occurring before the Stay Home, Stay Healthy mandate, and which meet multiple requirements; see links for details.

- [Phase 1 Construction Restart COVID-19 Job Site Requirements](#) referenced in the memo
- [Summary of the decision](#) from the Governor's Medium page

If you have emergency work, or work that you feel is essential, the City will require confirmation that it meets the State mandate. For confirmation, contact the Chelan-Douglas Health District – Rob Eastman, (509) 886-6463.

If you need to schedule an inspection, you may email the Building Official or use the new online [Permit Portal](#).

If you would like to submit a permit, you may email the City Planner or mail in the application materials. At this time, issuing permits, excluding emergency and essential permits, remains on-hold until the Stay Home, Stay Healthy mandate is lifted. But, we are happy to process permits so that work may resume in a timely manner after City Hall is reopened. Questions may be directed to the Development Services Manager.

We greatly appreciate your co-operation during this time.
