### NOTICE – BUILDING & LAND USE PERMITS

On March 26, 2020, Development Services issued a notice regarding building construction activities. There is no change to the construction limitation; however, due to the on-going, Stay Home, Stay Healthy mandate, Development Services will accept electronic and mailed building permit and land use application submittals, effective April 8, 2020.

Residents and businesses needing to make emergency repairs should contact the City Building Official to determine the submittal requirement and inspections.

At this time, issuing permits, excluding emergency and essential permits, remains on-hold until Stay Home, Stay Healthy mandate is lifted. Questions may be directed to the Development Services Manager or City Planner.

We greatly appreciate your co-operation during this time.
