As we adjust to a new normal in our daily lives, school, work, family & friends, it can be very challenging to take time to be informed and share your voice with the community, but your voice is needed now more than ever. The City of Leavenworth is working on several important planning projects including a Housing Action Plan, Transportation Element update, and the Shoreline Master Program update. While we would like to put some of this work on hold, the projects have mandatory deadlines, per the State, which require us to march forward. To ensure we meet our deadlines, the Planning Commission will be meeting every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of the month.

The good news is the Planning Commission meetings can be accessed online. You can attend from the comfort of your own home or other space via Zoom. We are keeping the City Hall open for anyone wishing to attend in person, subject to availability for social distancing and wearing a mask.

Each major planning activity has a dedicated website page for more information. You can also request email notifications for any or all planning activities, by emailing Lilith Vespier at [DSmanager@CityOfLeavenworth.com](mailto:DSmanager@CityOfLeavenworth.com) or calling 509-548-5275 ext. 131.
