

City of Leavenworth
Department of Development Services

Notice of Reduced Hours and Services

March 24, 2020

In support of the Mayor and Governor shelter in place orders, Development Services has further reduced hours.

Inspections, excluding those already scheduled, will be reduced to Thursdays until April 6, 2020.

Building permits will not be issued or accepted until April 6, 2020. Please know that we will do our best to review and issue permits for complete applications after we resume normal business hours.

Planning questions will be addressed via email or phone; however, response times may be extended.

Pre-applications and Design Review meetings are postponed to May 2020.

Planning Commission Meeting/Hearing is further continued to May 6, 2020 at City Hall.
