

Help to be part of the solution

Employees tend to take the most coveted spaces, which keeps potential customers away from downtown businesses.

Know where to park

Each time an employee or employer uses on-street parking or high-demand lots, a convenient space is taken from a customer.

Lead by example

Encourage employees to use designated employee parking locations, and employers should lead by example by doing the same.

Leavenworth WA Employee Parking Options

Reserved Pilot Parking Program

The City of Leavenworth has implemented a Reserved Parking Pilot Program to assist in addressing employee and employer parking issues. The pilot program is limited to fifteen (15) reserved parking spaces at Parking Lot P4 and thirty (30) reserved parking spaces at Parking Lot P2. With the purchase of a reserved parking permit, a specific parking location is reserved for your vehicle within the parking area, Monday—Friday, 7:00 AM—7:00 PM. Reserved parking spaces are individually signed and use is monitored by Pacific Security patrols.

RESERVED PARKING FEES

Location	Monthly Fee	6 Month Fee
P2	\$30	\$180
P4	\$45	\$270
