The Leavenworth Parking Advisory Committee is holding a Public Open House to hear feedback on their recommendations for addressing the downtown parking program.

Those recommendations include:

- ⇒ Downtown Paid & Timed Parking Program / Parking Meters
- ⇒ Proposed Parking Rates for Meters and Lots
- ⇒ Residential Zone Parking Program
- ⇒ Employee Parking Options

Please join us to learn more, ask questions, and provide comments. The goal of the parking program is to manage the downtown on-street parking for the convenience of the priority users; local customers and visitors; and to provide a rate of parking turnover that supports downtown vitality.
