

**Carl J. Florea**  
Office of the Mayor  
City of Leavenworth

November 30, 2020

Community Members,

I hope you had a celebratory and safe Thanksgiving! The Florea household had a small gathering that included our one son from Wenatchee and his family, as we have been providing respite care for them during COVID, as they have our special needs grandson, Logan. Then we all played some online games with our other kids and their spouses that evening. A very 2020 type of celebration! I hope yours was made as special as it could be for you as well!

I would like to share with you an opportunity our community will have to engage our WA State Representative Dr. Kim Schrier. In normal times, Rep. Schrier would be traveling our area and holding Town Hall style meetings in person. We do not need reminders that these are not normal times. However, Rep. Schrier is committed to reaching out to her constituents by way of holding online Zoom Town Hall meetings. She has asked me to moderate one of these to be held this **Wednesday, December 2, from 5:00 – 6:00 PM**. She has set up a registration site for this event online. The link to this RSVP form is: <https://forms.gle/U76EL7NN62VmY3w66> Once you RSVP, you will be sent a Zoom link on Wednesday to attend. The RSVP form also allows you to send in a question ahead of time. If time allows, you will also be able to submit your questions using the chat button that evening, but only if we get through the previously submitted questions. This is a great opportunity to get a response on an issue of concern to you. In all my dealings with Rep. Schrier over the many months of COVID, I have found her be thoughtful and responsive to the concerns of the cities in her district. We look forward, in more normal times, of physically hosting Rep. Schrier in our great community for a proper Town Hall. But for now, we appreciate this opportunity and look forward to hearing from her. Please join us on Wednesday. And as always, stay safe!
