#### a. Design Permit# DRB 2021-006

Location: 900 Front Street

Applicant: Will Phinney, J5 Infrastructure Partners

Business: AT&T

Description: The Applicant is proposing exterior modifications to an existing building, for the purpose of shielding new wireless telecommunication antenna sectors on the building rooftop. Proposed modifications include: Raising the four existing cupolas on the corners of the building by approximately 6 feet, 2 inches. All cupolas will be painted and designed to match the existing cupolas with roof shingles, trim, wood and other building materials. All equipment will be shielded from view, or located interior of the building.

### 5. Adjournment

*All meetings are open to the public*
