# 2023 LEAVENWORTH FUND

## Lodging Tax Grant Program

The City of Leavenworth announces an opportunity for funding from the Leavenworth Fund! 2023 Lodging Tax Grant Program requests are now being accepted by the City of Leavenworth. Applications for the Leavenworth Fund [Lodging Tax Grant Program](#) are due **Monday, October 24, 2022 by 4:00 PM.**

### What is the Lodging Tax Fund?

Funding for this program comes from the City of Leavenworth Lodging Tax Fund, which receives a percentage of hotel/motel taxes from lodging establishments inside the city limits. The City collects a tax on charges for overnight lodging. These funds are distributed by the Department of Revenue back to the City of Leavenworth for the funding of tourism related capital facilities, non-event operations, and event marketing and operations.

### What can be funded with Lodging Tax Revenue?

Lodging taxes can be used for:

- Tourism Promotion/Marketing
- Marketing and operations of special events, activities, and festivals designed to attract tourists
- Supporting the operations and capital expenditures of tourism-related facilities owned or operated by non-profit organizations

### Who may apply?

Lodging Tax Grant Program is open to non-profit 501(c)(3) or 501(c)(6) organizations with the demonstrated ability to achieve tourism related goals as outlined below:

- Increase hotel/lodging occupancy in the City of Leavenworth by creating overnight stays.
- Increase the number of visitors to the City from more than 50 miles away.

Other types of organizations may work with a non-profit fiscal sponsor to submit an application. Applicants must submit formal paperwork confirming the fiscal sponsorship.

All applications must include estimates of how funding the project/activity will result in increases to people staying overnight, travelling 50 miles away or more, or coming from another state or country. To ensure this data is collected, the City is required to have applicants provide additional information in the lodging tax application.

- Maximum Grant Request is \$10,000
- An application does not guarantee funding. Funding may be granted at an amount different than requested.
- Applicants may submit multiple requests.

### Selection and award process:

Funding of the program and specific awards are dependent on recommendations of the Economic Development Committee. The Committee will receive all applications and recommend a list of candidates and funding levels that will be forwarded to the City Council for final determination. Funds will be awarded on a competitive basis.
