Agenda Items:

1. Review Request for Proposal – Economic Development

Who we are? Leavenworth's economic strengths are the Bavarian Theme and the local and regional recreation activities.

Economic Development Committee is recommending a Request for Proposals/Qualifications to examine ways to enhance and support our Bavarian Theme and Recreation economies and local workforce. Of specific interest are support businesses for the Bavarian Theme, including small light-industrial work spaces and live-workspaces, and ways to enhance local, regional and event recreation, including trails, river use, soccer, ice rink, pickle ball, biking, and marathons.

Do we seek specific recommendations, with timelines and cost estimates?

Do we want to broaden the RFP to include a review of demographic and economic data? A SWOT analysis? Public Participation?

Stakeholders: Businesses, Chamber, hospital, school district, USFS, residents, others?
