Indoor Pool Feasibility Forum

The meeting began at 6:00 PM

The Upper Valley Parks and Recreation Service Area (PRSA) of the City of Leavenworth hosted a public forum at the Festhalle to present and discuss the results of a feasibility study for an indoor pool.

Representatives from NAC Architects presented the results of the feasibility study. There were three different options that were presented for an indoor pool, with approximate costs included.

There was a question and answer time with NAC Architects and the PRSA representatives after the presentation was concluded; no action was taken.

The meeting ended at 7:57 PM

APPROVED
