NOTE: May 2026 Meeting Notes will be reviewed/approved in August 2026 meeting

The City of Leavenworth hereby establishes the Downtown Revitalization Steering Committee with the purpose of overseeing the streetscape development, tourism facilities, and park improvements within the Leavenworth Commercial Districts to ensure consistency with the Downtown Master Plan and to review and recommend changes to the City's operational support and maintenance of the Commercial Districts that better serve and enhance the Old World Bavarian theme and economic activity. The Steering Committee will also serve the role of evaluating and studying new ideas brought forward by business owners, property owners and residents which may enhance business and tourism within all Commercial Districts of the City.
